DETAILED ACTION

Reason for allowance

Claims 1-7, 9-10, 21-27 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance: Applicant's amendment and argument filed on 12/12/2005, page 7, paragraph 4; page 8, paragraphs 1-3. In regard to claim 27, prior art fails to teach the combination features the connection elements connects to the plurality of conductive traces when a portion of the flat wire segment is positioned within the aperture of the housing and with the rest of the claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
